

Dear Hummingbird Families,

We are asking each family to spend between \$10-\$20 on school supplies for the beginning of the year. Each student will need the items listed under "individual use". With the remaining amount of money we would appreciate if each family could contribute one or two items off the "community use" list for our classroom.

As a reminder our school has recommitted to having less media images on student clothing and materials. Thank you for honoring this as you select supplies for your child or our school community. Thank you in advance for your support. I am looking forward to getting to know all of you this coming school year.

Warmly,
Julie Ann Cassidy
