

Dear Hummingbird Families,

Each student will need the items listed under “individual use.” We would appreciate if each family could contribute one or two items off the “community use” list for our classroom. Thank you in advance for your support. I am looking forward to getting to know all of you this coming school year. As a reminder, our school has recommitted to having less media images on student clothing and materials. Thank you for honoring this as you select supplies for your child and our community.

Thank You, Julie Ann
