Sexual Harassment

The public charter school board is committed to the elimination of sexual harassment in public charter schools and activities. Sexual harassment is strictly prohibited and shall not be tolerated. This includes sexual harassment of students, staff or third parties by other students, staff, public charter board members or third parties. "Third parties" include, but are not limited to, school volunteers, parents, school visitors, service contractors or others engaged in public charter school business, such as employees of businesses or organizations participating in cooperative work programs with the public charter school and others not directly subject to public charter school's control at interschool athletic competitions or other public charter school events. "Public charter school" includes public charter school facilities; public charter school premises and nonpublic charter school property if the student or employee is at any public charter school-sponsored, public charter school-approved or public charter school-related activity or function, such as field trips or athletic events where students are under the control of the public charter school; or where the employee is engaged in public charter school business. The prohibition also includes off duty conduct which is incompatible with public charter school job responsibilities.

Sexual harassment of students, staff or third parties shall include, but is not limited to, unwelcome sexual advances, requests for sexual favors and other verbal, nonverbal or physical conduct of a sexual nature when:

1. The conduct or communication has the purpose or effect of demanding sexual favors in exchange for benefits;
2. Submission to or rejection of the conduct or communication is used as the basis for educational decisions affecting a student or employment or assignment of staff;
3. The conduct or communication is so severe, persistent or pervasive that it has the purpose or effect of unreasonably interfering with a student's educational performance or with an employee's ability to perform his/her job; or creates an intimidating, offensive or hostile educational or working environment. Relevant factors to be considered will include, but not be limited to, did the individual view the environment as hostile; was it reasonable to view the environment as hostile; the nature of the conduct; how often the conduct occurred and how long it continued; age and sex of the complainant; whether the alleged harasser was in a position of power over the student or staff member subjected to the harassment; number of individuals involved; age of the alleged harasser; where the harassment occurred; and other incidents of sexual harassment at the school involving the same or other students or staff.

Examples of sexual harassment may include, but not be limited to, physical touching or graffiti of a sexual nature; displaying or distributing of sexually explicit drawings, pictures and written materials; sexual gestures or obscene jokes; touching oneself sexually or talking about one's sexuality in front of others; or spreading rumors about or rating other students or others as to appearance, sexual activity or performance.

All complaints about behavior that may violate this policy shall be promptly investigated. Any student, employee or third party who has knowledge of conduct in violation of this policy or feels he/she is a victim of sexual harassment must immediately report his/her concerns to the public charter school director or compliance officer who has overall responsibility for all investigations. A student may also report concerns to a teacher, counselor or school nurse, who will promptly notify the appropriate public charter school director. The student and the student's parents or staff member who initiated the complaint shall be notified of the findings of the investigation and, if appropriate, that remedial action has been taken.

The initiation of a complaint in good faith about behavior that may violate this policy shall not adversely affect the educational assignments or study environment of a student complainant or any terms or conditions of employment or work environment of the staff complainant. There shall be no retaliation by the public charter school against any person who, in good faith, reports, files a complaint or otherwise participates in an investigation or inquiry of sexual harassment.

It is the intent of the public charter school board that appropriate corrective action will be taken by the public charter school to stop the sexual harassment, prevent its recurrence and address negative consequences. Students in violation of this policy shall be subject to discipline up to and including expulsion and/or counseling or sexual harassment awareness training, as appropriate. The age and maturity of the student(s) involved and other relevant factors will be considered in determining appropriate action. Employees in violation of this policy shall be subject to discipline, up to and including dismissal and/or additional sexual harassment awareness training, as appropriate. Other individuals whose behavior is found to be in violation of this policy shall be subject to appropriate sanctions as determined and imposed by the public charter school director or public charter school board.
